### FEATURES

#### Set Up and Maintain Employee Information

You can easily set up employee information on your new system, whether you're a new Sage MAS 90 or 200 customer, or adding Abra HR to an existing system. The Abra HR to Sage MAS 90 Payroll Link includes utilities for copying existing employee information from one system to the other. And once the system is in place, a new or existing employee can be changed in HR, and the changes shared with Sage MAS 90 Payroll. Easily view key employee information, from emergency contacts to performance reviews. The integration of key data from Abra HR to Sage MAS 90 and 200 allows for quick, convenient retrieval of information.

#### Benefits Management

Automatically calculate precise employee, dependent, and employer premium and benefits costs. Provide an unlimited number of benefits plans for employees and dependents. Track plans and define your company's own eligibility criteria. Any life event changes that create adjustments to insurance coverage and premiums are automatically reflected in employees' contributions through Sage MAS 90 and 200 payroll contributions.

#### Fast Access to Analysis Tool

Quickly drill down to specific information with analysis tools that reveal criteria in the form of summary information to specific details for fast evaluation of human resources data. Investigate critical areas such as salary, turnover, and performance issues quickly and easily.

#### Event Reminders

Stay current with date and event reminders, such as training, licenses, bonuses, benefits, enrollment eligibility, memberships, stock options, and user-defined subjects. In addition, allocate tasks to yourself or other Abra HR users with the Organizer Workflow tool and automatically update tasks in Microsoft Outlook. You can also quickly report on required documents that employees must turn in to maintain employment status.

#### Microsoft Office Integration

Integration with Microsoft Office provides immediate transfer of information into Word documents and Excel spreadsheets, graphs, and tables, making it easy for you to view and analyze data for strategic, on-the-spot decision making.

#### Benefits Interviews

Benefits interviews take you step-by-step through the process of creating benefit plans. The interview allows HR administrators to easily create accurate savings and insurance plans.

#### COBRA Management

Quickly and easily track all dependents on COBRA coverage. Take the hassle out of COBRA and HIPAA compliance. Personalized, automated notification letters describe coverage options and costs. Abra HR provides billing statements, mailing labels, and complete eligibility reports. Prints HIPAA Certification of Coverage, too.

#### Benefit Rollover

Easily change employees' benefit plan from the current year to next year's plan at the click of a button.

#### Time-Off and Attendance

With the optional Abra Attendance module, you can create and manage an unlimited number of paid and unpaid time-off and attendance plans of virtually any type. Track and report leave taken under the Family and Medical Leave Act (FMLA). Easily change employees' benefit plans from the current year to next year's plan at the click of a button.

#### Salary Administration and Analysis

Keep accurate compensation histories by individual employee, department, or company. Assure on-time pay and performance reviews each month. Create employee notes for commendations or disciplinary actions. Provide performance supervisors with consistent, standard review forms detailing employee job and salary histories.

#### Manage Employee Training, Certification, and Health History

Keep up to date with employees' training schedules and certification status. Maintain employee health profiles, including wellness participation. Track drug test and physical exam schedules and their respective due dates.

#### Maintain Maximum Security of Sensitive Data

Protect key information with sophisticated multi-level security. Create and assign an unlimited number of user IDs and passwords. Easily follow audit trails to identify who made each change by date, time, and type of change.

#### Employee Attachments

Organize and manage electronic documents, such as letters of commendation and W-2 forms, assigned to each employee. Attach any electronic document to an employee record and save filing space by removing the need for maintaining paper files.
