

Peachtree by Sage Quantum 2008

System Requirements - as of April 5, 2007

Important Note for customers upgrading from Peachtree 2006 or earlier:

Certain features have changed or are no longer available. Peachtree Today has been removed. In Peachtree Complete Accounting or higher it has been replaced with the Business Status Center. In Peachtree Pro Accounting and higher the forms designer can no longer be used to customize payroll tax form templates. Print-N-Sign Tax Forms are not compatible with dot matrix printers. Several aspects of the system requirements have been updated. It is recommended that you carefully review the system requirements for compatibility and acceptance prior to upgrading.
